Confirmation Stewardship Reflection

Pick one Stewardship experience and make a “**Top 10**” list of reasons how it impacted you. Here are some suggestions to get you started: What you learned about someone else, what you learned about yourself (i.e. turns out I like to serve food to people), a highlight- like making a new friend or meeting someone new from our parish (if so, who was it?), what this organization does for our Lawrence community, how this experience brought you closer to Jesus, or how you saw Jesus in other people-either people you helped, served, or worked with.

Please type out and email to lryan@cccparish.org when you are done. Double-check for spelling and quality! Don't forget your name. Year 1 Students: Stewardship Reflection is due to Mrs. Ryan by April 2, 2027 (Email or hard copy). Year 2 Students: Stewardship Reflection is due to Mrs. Ryan by February 16, 2027 (Email or hard copy).
